世界领先的能源和航空非标刀具设计制造专家

HSS milling cutter

Special high-speed steel roughing pine mill.
ISO 50 tapered shank.

36

Category F107

HSS milling cutter

Special high-speed steel end pine mill.
Cylinder-shaped shank.

Category F110

HSS milling cutter

Special coated high-speed steel end pine mill.
Cylinder-shaped shank.

38

Category F110

HSS milling cutter

Special coated high-speed steel end pine mill.
Cylinder-shaped shank.

Category F110

SB milling cutter

Special brazed convergent mill.
Cylinder-shaped shank.

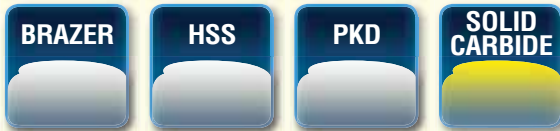

Category 235

MD milling cutter

Special coated carbide radial cylindrical end mill.
Cylinder-shaped shank.

47

Category 804

MD milling cutter

Special carbide radial cylindrical end mill.
Cylinder-shaped shank.

Category 804

MD milling cutter

Special coated carbide tapered mill.
Cylinder-shaped shank.

52

Category 812

MD milling cutter

Special coated carbide roughing pine mill with internal lubrication holes.
Cylinder-shaped shank.

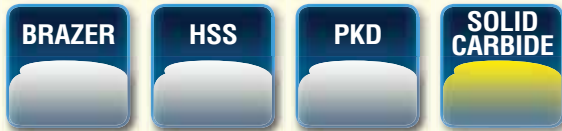

MD milling cutter

Special coated carbide end mill.
Cylinder-shaped shank.

64

Category 890

MD milling cutter

Special coated carbide end mill.
Cylinder-shaped shank.

65

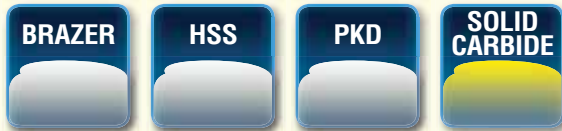

Category 890

MD milling cutter

Special coated carbide end mill.
Cylinder-shaped shank.

66

Category 890

MD milling cutter

Special coated carbide end mill with internal lubrication holes.
Cylinder-shaped shank.
